

## 4 Person Simulator League

Play 9 holes 2 times per month (Preferably 1 time every 2 weeks)

Cost is \$15 per person

Formats for the league will consist of 4 people playing a schedule of alternating 4 person scramble or two 2 person scramble where we add your scores together. Both formats will be handicapped.

Teams must play one round prior to league starting to develop a league handicap at league rate plus a complimentary 15 minutes on the range.

League rounds during the season can be played ahead of time, but not after the deadline for a league event

We will be playing with 10' gimme circle and each person will get 1 mulligan for the 9 holes

Once all teams have signed up, a league schedule will be created with matchups against other teams. If you would like to play with your opponent you sure can (it can accommodate 8 players) or you may play as just your 4some.

There will be a \$1 game for each league event that will be either closest to the pin or longest drive
